UTAH COURT-ORDERED EDUCATION

Substance Awareness & Education Programs for Utah Residents

A comprehensive suite of court-ordered and voluntary education programs designed to promote awareness, support behavioral change, and reduce substance-related offenses across Utah communities. These programs provide structured learning paths for individuals seeking to understand the risks and consequences of alcohol, drugs, and marijuana use.

Alcohol Awareness & Drug Offender Education

Alcohol Awareness Training

This program addresses the effects of alcohol on the body, mind, and behavior. Participants learn about legal consequences, impaired judgment, and strategies for responsible decision-making. Designed for Utah residents seeking reductional education through court referral or personal initiative.

Enroll here: **Alcohol Awareness Training**

Drug Offender Education Program

A structured educational pathway for individuals with drug-related offenses in Utah. The program covers substance classification, health risks, legal ramifications, and tools for long-term behavioral change — supporting both court compliance and personal growth.

Marijuana Prevention & Youth Education

Marijuana use among youth carries serious risks — from impaired brain development to academic and legal consequences. Utah's prevention programs deliver evidence-based education to help young people and their families make informed choices.

Access the program: ~~Marijuana Prevention~~

Brain Development Risks

THC affects memory, focus, and decision-making in developing brains

Legal Consequences

Utah law enforces strict penalties for underage possession and use

Minor In Possession Class — Utah

The Minor In Possession (MIP) Class is designed for individuals under 21 who have been cited or charged with alcohol possession in Utah. This educational program focuses on understanding legal boundaries, the impact of underage drinking, and developing healthier habits moving forward.

Understand the Law

Learn Utah's specific statutes regarding underage alcohol possession and associated penalties

Recognize the Risks

Explore the physical, social, and legal consequences of underage drinking in real-world scenarios

Build Better Choices

Gain practical tools and strategies to avoid future offenses and support long-term well-being

Register for the class: **Minor In Possession Class**
